Judges

The Court orders that, pursuant to MCR 7.205(D)(2), and in lieu of granting defendant's delayed application for leave to appeal, we VACATE the trial court's October 22, 2004 Judgment of Sentence and remand to the trial court for proceedings pursuant to MCR 6.445(E). Here, as reflected by the October 4, 2004 transcript, defendant pled not guilty to the probation violation charge, but was not informed by the court of her rights under MCR 6.445(B) and was not given a hearing in which to contest the charge. MCR 6.445(E)(1) and (2).

In all other aspects, the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented. We do not retain jurisdiction.
